# COVID19: CONTROL AND PREVENTION PROTOCOLS

We care about your peace of mind. Learn about the sanitary protocols that we have implemented in all of our excursions and diving activities.

## STAFF:

- Mandatory use of personal protective equipment.
- Clean uniforms every day.
- Temperature monitoring.
- Employee sanitary training program.
- Social distancing at all times.
- Hand wash every 30 min or after assisting a client.
- No handshaking or touching face.
- Frequent disinfection of work stations and office equipment.
- Coughing or sneezing into elbow.

## EXCURSIONS AND DIVING ACTIVITIES:

- Use of alcohol-based sanitizer regularly and before and after assisting a client or colleague.
- Preventive measures applied to guests: Must wear a face mask and temperature monitoring before entering transportation vehicles.
- Briefings in open spaces.
- Social distancing at all times.
- Guides equipped with first-aid kits that include sanitizing products.
- Disinfection of snorkeling gear and scuba equipment after every use (full immersion).
- Disinfection of all provisions.
- Daily deep cleaning of boats and vehicles. Frequent sanitizing.
- Sanitizing floor mat when boarding the boat.
- Most of excursions are for Club Med guests only.
- Digitalization of information material. Disposable printed brochure for those who require it.
- Suppliers operate under strict sanitary protocols.

The above measures comply perfectly with Club Med's sanitary protocols.  
In addition, the Tourism Ministry has certified us in Sanitary Protection and Prevention.
